## Health, Safety and Environment Policy Statement

Al Baz Engineering Company (BECO) is committed to its duties to comply with the Health and Safety requirements in accordance with the international safety regulations.

BEC will undertake the following steps in order to seek improvement of its Health, and Safety Protection performance at all time:

- Provide adequate resources to properly maintain the Health and Safety Protection functions of the company.
- Follow defined procedures with self-discipline and work safely at all times.
- Provide & review Method Statements and Risk Assessments as required
- Provide and maintain systems of work which are safe and without risk to Health and Environment.
- Establish arrangements for the use, handling, storage and transport of articles and substances provided for use at work, which are safe and without risk to Health & Environment.
- Encourage safe behavior among their working staff.
- Ensure that all management decisions reflect our HSE intentions.
- Provide employees with such information, instruction, training and supervision as is necessary to secure their safety and health at work and that of others who may be affected by their actions and the protection of the environment.

- Carry out health & safety surveillance, when required.
  - Monitor performance of Safety protection & health requirements to maintain company standards.
- All employees of the company are expected to undertake the following as part of their duties to the company:

- Take reasonable care of their own health and safety, and that of others who may be affected by their acts or omissions at work.
- Co-operate with others in the company to fulfill its statutory duties with respect to Health & Safety protection.
- Properly take care of and maintain P.P.E. issued to them.
- Operate to methods and instructions issued by the company.

To ensure that this policy remains effective the company's Directors will:

- Review it annually, or at the time of significant changes within the business.
- Make any such changes known to employees.
- Maintain procedures for communication and consultation between all levels of staff on matters of Health, Safety and Welfare protection.
- BEC's Safety Policy and Site Safety Instructions will be prominently displayed for compliance by the site staff

at a suitable location and will be updated whenever deemed required.

IST Management looks forward to a continuing partnership with all employees to achieve a safe and healthy working environment, where ever we may be employed.

### ORGANIZATION CHART

## **2-Roles and Responsibilities:**

### Project Manager :

- ✓ Keep Safety Construction Operation.
- ✓ Ensure that standards and procedures are strictly followed by all staff during executing work.
- ✓ Review the previous incident and accident to discuss with the company staff during meetings.
- ✓ Approve and implement safety program of the company.
- ✓ Give an all support to safety program.
- ✓ Make sure that safety is every individuals concern.

### QA/QC Manager

- ✓ Reports to the Project Manager.
- ✓ Prepare, implement and maintain a Quality Plan for the Project.
- ✓ Review and Approve Inspection and Test Plans (ITP) and associated documents to ensure that the technical requirements are correct.
- ✓ Implement the Inspection and audit program to ensure compliance with the quality plan
- ✓ Implement a materials compliance program to ensure specified requirements are met.
- ✓ Management of verification processes for the works including completion of Inspection and Test plans, survey data, scheduling, co-coordinating and organizing materials testing.

### Site Engineer

- ✓ Understand this Health and Safety Plan fully and following the same in their day-to-day activities.
- ✓ Give safety instructions to their workmen on a daily basis as a part of the job instructions, highlighting the possible hazards in that day's work and the precautions to be taken.
- ✓ Keep their work area neat and clean, especially at heights free from loose materials.
- ✓ Taking an active part in the site safety meetings.
- ✓ Prevent horseplay of workmen.

- ✓ Organize toolbox talks to their workmen every week.
- ✓ Take suitable corrective measures on the observations made by the safety Officer of the site.
- ✓ Send the employees to the safety Officer before deploying them at site so that safety induction can be given to them. Responsible for the design, implementation, communication and coordination of all environmental, health, and safety programs.

## Site HSE supervisor:

- ✓ Continually maintain an appropriate level of awareness, knowledge and preparedness and create a culture that prioritizes effective HSE .
- ✓ Review internal HSE policies and practices to ensure they are current and appropriate.
- ✓ Conduct hazard and risk assessments.
- ✓ Serve as the Division expert within the field of HSE when called upon to address regulatory agency compliance issues, third party safety & liability consultants and subcontractor representatives.
- ✓ Responsible for the staffing and directing the Divisions HSE Department, including the management of all Field Safety Managers and staff.
- ✓ Assist project team in investigation of all project accidents as well as assisting in implementation of corrective actions.
- ✓ Devise, supervise, and coordinate training programs or media which increase proficiency in safe practices and promote HSE consciousness.
- ✓ Actively participate in the scheduling of safety meetings across Company locations to review HSE performance and policies.
- ✓ Oversight of Division's HSE incentive programs and periodically reviews them to ensure they are accomplishing the desired results.

## Site HSE Officer :

The Safety Officer reports directly to the Site Project Manager. His duties and responsibilities are:

- ✓ Enforce the implementation of the safety procedures on site in accordance with the safety manual.
- ✓ Ensures that all work on site comply with the safety requirements.
- ✓ Communicates directly with supervisors, engineers regarding safety issues.
- ✓ Coordinates with first aid clinic in cases of emergency.
- ✓ Carries formal and informal site safety inspections.
- ✓ Holds safety meetings on the supervisory level on regular bases.

- ✓ Prepare monthly safety reports.
- ✓ Issue nonconformance reports.
- ✓ Prepare accident injury reports.

## NEW ZEALAND ARMY

*Ngati Tumatauenga*

NZ ENGINEER GROUP

FORTRESS LINES, BASRAH, Iraq

Telephone: 07801095466, Facsimile: N/A, Email: [keri.anderson@nzdf.mil.nz](mailto:keri.anderson@nzdf.mil.nz)

10 September 2004

To Whom It May Concern:

The Royal New Zealand Army Engineers conducted refurbishments in local Schools and Health Care Facilities throughout Basrah over the period March – September 04. Mr Jabbar Abbas Ali of AL-BAZ Company for General Engineering was employed to conduct refurbishments and restoration throughout the duration of our tour.

Jabbar Abbas Ali and his associates are highly recommended for further construction and refurbishment taskings. I would be happy to answer any queries regarding the refurbishment taskings and can be contacted on the above email address.

Yours sincerely,

**K.M. ANDERSON**  
Lieutenant

### SECTION I-1 – FORM OF AGREEMENT

This CONTRACT is made on the **31<sup>st</sup> July 2011**,

#### BETWEEN:

- 1) **BP Iraq N.V.**, a company registered in Belgium, having its place of business and offices at North Rumaila Production Office, DS1, North Rumaila, Basra, Iraq hereinafter called COMPANY;

**And**

- 2) **AlBaz Eng. Co. Ltd**, a company formed under the laws of *Iraq* and having its registered office at Al-Basra Istiqlal st, hereinafter called CONTRACTOR.

COMPANY and CONTRACTOR are hereinafter sometimes referred to individually as a PARTY or collectively as the PARTIES.

#### WHEREAS:-

- (A) COMPANY is entering into this CONTRACT in order to fulfil the obligations that COMPANY has assumed under the Technical Services Contract for the Rumaila Oil Field, which COMPANY executed in November 2009 with South Oil Company of the Republic of Iraq, PetroChina Company Limited and the State Oil Marketing Organisation of the Republic of Iraq.
- (B) The PARTIES have agreed to enter into the CONTRACT to record the terms and conditions upon which COMPANY or any of COMPANY'S AFFILIATES may require CONTRACTOR to perform WORK.
- (C) CONTRACTOR represents that it is qualified and has the necessary skills, resources and equipment to perform the WORK to the full satisfaction of COMPANY and is willing to do so upon the terms and conditions specified herein.
- (D) The PARTIES have agreed to commit the terms of their agreement to writing.

#### NOW THE PARTIES AGREE AS FOLLOWS:-

##### 1. Definitions

In the CONTRACT words and expressions shall have the same meanings as are respectively assigned to them in Section I-2 (Conditions of Contract) - Clause 1.

##### 2. Previous Communications

The CONTRACT supersedes all previous communications, whether oral or written, between the parties in relation to the WORK.

##### 3. Documents

- 3.1 The terms "CONTRACT" and "MASTER AGREEMENT" are defined in Section I-2 (Conditions of Contract) – Clause 1.
- 3.2 The CONTRACT shall comprise the documents specified in Clause 3.2 of Section I-2 (Conditions of Contract).

#### 4. Performance of the WORK

In full consideration of the payments to be made by COMPANY to CONTRACTOR, CONTRACTOR hereby covenants with COMPANY to perform the WORK upon the terms and conditions specified herein.

#### 5. Conditions of Contract

The following provisions shall apply to the Clauses specified below in Section I-2 (Conditions of Contract):

- Clause 1 The CONTRACT COMMENCEMENT DATE shall be 1<sup>st</sup> August 2011.
- Clause 3.1 The term of the CONTRACT shall be Five (5) months from the CONTRACT COMMENCEMENT DATE.
- Clause 3.3 Option B shall apply.

COMPANY and CONTRACTOR are hereinafter sometimes referred to individually as a PARTY or collectively as the PARTIES.

#### WHEREAS:-

- (A) COMPANY is entering into this CONTRACT in order to fulfil the obligations that COMPANY has assumed under the Technical Services Contract for the Rumaila Oil Field, which COMPANY executed in November 2009 with South Oil Company of the Republic of Iraq, PetroChina Company Limited and the State Oil Marketing Organisation of the Republic of Iraq.
- (B) The PARTIES have agreed to enter into the CONTRACT to record the terms and conditions upon which COMPANY or any of COMPANY'S AFFILIATES may require CONTRACTOR to perform WORK.
- (C) CONTRACTOR represents that it is qualified and has the necessary skills, resources and equipment to perform the WORK to the full satisfaction of COMPANY and is willing to do so upon the terms and conditions specified herein.
- (D) The PARTIES have agreed to commit the terms of their agreement to writing.

#### NOW THE PARTIES AGREE AS FOLLOWS:-

##### 1. Definitions

In the CONTRACT words and expressions shall have the same meanings as are respectively assigned to them in Section I-2 (Conditions of Contract) - Clause 1.

##### 2. Previous Communications

The CONTRACT supersedes all previous communications, whether oral or written, between the parties in relation to the WORK.

##### 3. Documents

- 3.1 The terms "CONTRACT" and "MASTER AGREEMENT" are defined in Section I-2 (Conditions of Contract) – Clause 1.
- 3.2 The CONTRACT shall comprise the documents specified in Clause 3.2 of Section I-2 (Conditions of Contract).

#### 4. Performance of the WORK

In full consideration of the payments to be made by COMPANY to CONTRACTOR, CONTRACTOR hereby covenants with COMPANY to perform the WORK upon the terms and conditions specified herein.

#### 5. Conditions of Contract

The following provisions shall apply to the Clauses specified below in Section I-2 (Conditions of Contract):

- Clause 1 The CONTRACT COMMENCEMENT DATE shall be **15 March 2012**.
- Clause 3.1 The term of the CONTRACT shall be Twenty Four (24) months from the CONTRACT COMMENCEMENT DATE.

**SECTION 1**

**FORM OF AGREEMENT**

### SECTION 1 FORM OF AGREEMENT

#### FORM OF AGREEMENT

#### THIS CONTRACT MADE BY AND BETWEEN:

**BP IRAQ N.V.**, a company incorporated under the laws of Belgium, with its registered office in Belgium and a branch office in Iraq (hereinafter referred to as COMPANY);

AND

**Al Baz Engineering Company Ltd**, a company formed under the laws of Iraq and having its registered office at Al-Basra-Istiqlal St, hereinafter called CONTRACTOR; both companies referred to as PARTIES or individually as PARTY.

#### WHEREAS:

- 1) COMPANY wishes certain WORK to be carried out in accordance with the CONTRACT and
- 2) CONTRACTOR represents that it has the requisite skills, experience and resources to carry out such WORK and is willing to do so in accordance with the terms and conditions specified herein.

#### NOW THEREFORE THE PARTIES HEREBY AGREE AS FOLLOWS:

##### 1) DEFINITIONS

In this CONTRACT all capitalised words and expressions shall have the meanings assigned to them in this AGREEMENT or elsewhere in the CONTRACT:

EFFECTIVE DATE shall mean the date of execution of this CONTRACT by the PARTIES.

COMMENCEMENT DATE shall mean the date and time when all of the following have been achieved:

- a) all of CONTRACTOR's Equipment, Material and Personnel have been mobilized to CONTRACTOR's Base near Basra and have been inspected and accepted by COMPANY REPRESENTATIVE as compliant with the CONTRACT;
- b) COMPANY has approved CONTRACTOR's Security Plan.

Beginning on COMMENCEMENT DATE, the PRIMARY PERIOD shall mean the period specified under Article 3 below during which the WORK shall be performed and during which CONTRACTOR's rates and fees shall remain fixed and firm.

CONTRACT DURATION shall mean the PRIMARY PERIOD together with any extensions thereto.

MOBILISATION PERIOD shall mean the time between the EFFECTIVE DATE and COMMENCEMENT DATE.

### SECTION 1 FORM OF AGREEMENT

CONTRACT shall mean and comprise:

#### Section 1 Form of Agreement

#### Section 2 General Conditions of Contract

- Appendix 1: Special Conditions of Contract
- Appendix 2: Amendment Form
- Appendix 3: Local Import and Export Requirements – Iraq
- Exhibit A: Form of Parent Company Guarantee

#### Section 3 Scope of Work

- Appendix 1: Performance Management
- Appendix 2: WORK ORDER
- Appendix 3: CHANGE ORDER
- Appendix 4: Subcontractors / Suppliers and Contractor Key Personnel
- Appendix 5: Description of the WORK
- Appendix 6: Training of Company Personnel
- Appendix 7: Contractor Personnel Development Plan
- Appendix 8: Responsibility Matrix
- Appendix 9: Functional and Technical Specifications

#### Section 4 Remuneration

- Appendix 1: Special Local Invoicing Procedures - Iraq
- Appendix 2: Lost in Hole Charges
- Appendix 3: Subsector Specific Terms and Conditions
- Appendix 4: Schedule of Rates and Charges

#### Section 5 Quality Assurance & Quality Control

#### Section 6 Health, Safety and the Environment

- Appendix 1: HSE Standard Requirement for ROO Contracts
- Appendix 2: Minimum Standards for Medical Staff, Facilities, Medications, Medical Equipment and Ambulance for ROO Onshore Organisations.
- Appendix 3: Procedures for ROO Driving Safety Practice

#### Section 7 ROO Code of Ethical Conduct

- Appendix 1: ROO Code of Ethical Conduct

#### Section 8 Security Standards

- Appendix 1: ROO Security Philosophy Document: Security Minimum Standards, Field Operations
- Appendix 2: Approved Security Plan

The above Sections shall be read and construed as one document, the contents of which, in the event of ambiguity or contradiction between Sections, shall be given precedence in the order listed, with the exception that the Special Conditions of Contract under Appendix 1 to Section 2 shall take precedence over the General Conditions of Contract.

## 2) MUTUAL OBLIGATION

In accordance with the terms and conditions of the CONTRACT, CONTRACTOR shall perform and complete the WORK and COMPANY shall pay the CONTRACT PRICE.

### SECTION 1 FORM OF AGREEMENT

#### 3) COMMENCEMENT AND DURATION

The WORK is scheduled to commence **two** (2) days after the EFFECTIVE DATE which date shall be the intended COMMENCEMENT DATE.

The PRIMARY PERIOD shall be for **three** (3) years subject to the CONTRACT and in particular to the completion of any WORK in progress at the time of expiry of the PRIMARY PERIOD.
